

## NEWS RELEASE

### **Northern Lights Resources Appoints New Head Geologist**

November 24, 2017

Northern Lights Resources Corp. (the “**Company**”) is pleased to announce the appointment of Mr. Gary Artmont to be a Company’s Head Geologist.

Mr. Gary Artmont, is a senior exploration geologist with over 40 years of international experience in regions including Canada, USA, Mexico, South America, Indonesia, Africa, Russia, China and Mongolia. Fellow member of AUSIMM and qualified to write NI 43-101 or JORC Competent Person reports for various exchanges.

Mr. Artmont has held senior positions with Rio Tinto, Kennecott Australia, Freeport McMoran Indonesia, Union Carbide, Norilsk Nickel and Ivanhoe Mining. From 1989 to 1995, Mr. Artmont served as the Chief Exploration Geologist for Freeport Indonesia, responsible for conducting exploration over a 57,000 km<sup>2</sup> Contract of Work area with a team of over 600 geologists and field assistants.

During his career, Mr. Artmont has conducted over 150 site visits to producing mines located throughout the world.

Mr. Albert (Rick) Timcke states “the appointment by Mr. Gary Artmont as the Company’s Head Geologist, further builds the strength of Northern Light’s management team. Gary’s experience and knowledge will be instrumental to the development of existing projects and the identification of new growth opportunities. ”

The Company will issue further news releases regarding its business and the anticipated timing of the resumption of trading.

#### **About Northern Lights Resources Corp.**

President

**CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION:** This news release includes certain “forward-looking statements” under applicable Canadian securities legislation. Forward-looking statements include, but are not limited to, statements with respect to: the terms and conditions of proposed transaction; the terms and conditions of the proposed private placement; use of funds; the business and operations of the Company after the proposed new business; and the relisting of the Company’s shares on the CSE. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. Such factors include, but are not limited to: general business, economic, competitive, political and social uncertainties; delay or failure to receive board, shareholder or regulatory approvals; and the uncertainties surrounding the mineral exploration industry. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
