

Northern Lights Resources Completes \$1.1 Million First-Tranche Non-Brokered Private Placement

VANCOUVER, BC – October 2, 2018 - Northern Lights Resources Corp. (the “**Company**”) is pleased to announce that further to its news release of February 23, 2018 it has completed a first tranche of a non-brokered private placement financing of 11,005,000 units of the Company (the “**Units**”) at a price of \$0.10 per Unit, for total gross proceeds of \$1,100,500 (the “**Offering**”).

Each Unit consists of one common share of the Company (a “**Share**”) and one full share purchase warrant (each a “**Warrant**”). Each Warrant is exercisable into one Share at a price of \$0.20 per Share for 24 months following the closing date, subject to an accelerated expiry if the closing price of the Shares is equal to or greater than \$0.30 for twenty (20) consecutive trading days at any time following four months after the date of closing.

The Company intends to use the proceeds from the Offering to fund exploration activities at its mineral projects in Nevada (Medicine Springs) and Mongolia (Del Undur), and for general working capital purposes.

In connection with the first tranche of the Offering, the Company paid aggregate compensation to eligible finders (the “**Finders**”) of \$60,040 and 604,040 Shares in the Company.

The Units, Finders’ Shares and underlying securities are subject to the usual four months and a day hold period in accordance with applicable securities legislation and CSE requirements.

Mr. Albert (Rick) Timcke, President and the Chairman of the Company states “The closing of the first-tranche of the private placement is pivotal to the Company in meeting the conditional listing approval granted to the Company by the Canadian Stock Exchange (“**CSE**”). The Company will begin trading on the CSE following the final review and approval of the Company’s Listing Statement.”
